Hebrew Memorial - May 05 at 02:18 PM

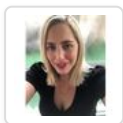

“ Dolly was the best gramma to all of her grandkids. They loved their sleepovers when they were little and especially loved "Gramma Dolly's chicken" for dinner! Grandpa Ben and Dolly always played games with them and let them play the Casio piano. Dolly was an excellent knitter. She made the most beautiful sweaters for the kids. She was always willing to help whenever she could. Dolly was very happily married to Ben for many years and that was a highlight in her life besides her wonderful sons, grandchildren and great grandchildren. Love You Dolly! Hillary

“ Dolley my first cousin was a wonderful cousin, she was very kind. Dolly always was smiling and was very welcoming and caring about me. She was a wonderful sister to her late brother Melvin Bernstein and a great wife to her late husband Ben. I meet Dolley at first when I was in my teens , she was such a great family person! Family was first to her!! There are some funny memories that I can not share here, but they will be part of my great memories of my cousin. Dolly , Rest In Peace. May your memory be blessed for ever and ever. Will miss our talks and your sweet smile cousin.

“ I know how much she was loved and regarded. Chuck, Hillary, Andrew and Kali are 'family' as we were Michigan transplants. We shared many birthdays and holidays together and although it has been quite some time since I had seen Dolly, she stays clear and cherished in my memory. May her memory be a blessing...
