“ I was shocked and saddened to hear of Ed's death. We met at Oak Park High in 1967 and quickly became best friends. We hung out at his house or mine most days and I got to know his parents, Shelley and Michael. Ed introduced me to the Meyers JCC and racquetball and penny-ante poker. My parents were very fond of Ed and they spent hours talking. It was also through Ed that I got my first job, working for Michael and with Ed, Shelley, Carol and Helen making pizzas at The Galley in 1970-71. We saw less of each other when I went to grad school in Toronto and lost touch in the late 1970's when I permanently settled there, well before the internet and social media. However I always valued our friendship. Ed was the nicest, open and honest friend. My condolences to the family

“ Ed was really fun to work with and a good friend. We'd ride our bicycles on the local trails and have Chinese food after. He always kept me in stitches with his quips. He was a hard worker and a very kind, considerate man. I'll miss him. Allan Jirik

“ My strongest memory of my cousin Eddie is that he was unusually close to his parents, his sisters Janet and Shelly and brother Michael. He was a very giving person. I remember when his mother Molly was incapacitated and in a nursing home, quite often he would cook tasty fresh food and take her out for the day. That was just what she needed! Eddie, you were special. Love, Evelyn

Evelyn Kreger - March 09 at 04:45 PM

“ Evelyn, Thank you for sharing. I remember too the way that Eddie took care of my mother who was very ill with Parkinson's. It was unbelievable. Even during the period when her condition was very bad, Eddie continued to take her out of the nursing home so that she could be part of the world. That is just one example. He did more for her than the staff at the nursing home. He earned his place in heaven! Much love, Shelly

“ My uncle Ed loved being outside and staying active. He would take me swimming, biking, running, and cross country skiing. I have very fond memories of our outings and I am grateful he was willing to share his love of outdoors with me.

With much love,
Robert
