“ Florence was one of the most loving and caring people I've ever met. Can you imagine your career being teaching children to read and become great students? Well that's what she did every day and she loved it. She cared about everybody and she became an instant friend of mine when I worked with her. She will live on forever in my heart. God bless you Florence. Love, Penny stocks

“ I first spent time with Florence at her daughter's engagement party in Detroit to my son. Florence made sure I didn't feel like a Brooklyn fish out of water, which I was. Florence was warm, friendly and funny. It is an honor to be part of her family. May her memory be for a blessing.
