“ Family and Friends: We were saddened to read about Ted’s passing. It is our hope that the many treasured memories sustain you during this most difficult time. We pray that you find comfort in our Creator’s promises to reunite us with our beloved ones again, in a youthful world, where the causes of pain and sorrow will be a thing of the past. How exciting it will be to see him again doing all the things he loved. Forever find comfort reading Isaiah 25:8, which promises that our tears of mourning will end when death is done away with. Our sincerest condolences to the Family.

“ I knew ted for only 5 yrs when i moved into cass lake shore club apts in waterford .Ted lived right accross the hall from me he was my neighbor i enjoyed talking to him and shareing life stories with him he loved my dog teddy a golden retrievor. I met ted the first day i moved in. Every holiday at christmas and thanksgiving i took him a plate of food. I invited ted over to my apt when i would have a group over so he would not be alone so much. He loved base ball and was on a bowling league for many yrs. A few other people and my self stepped up to attempt to help him when he was in failing health this past month.we did alot we packed up his apt moved his things over to a storage facility close by. We got him out of his apt and to the hospital. We did what we could for him during his last days living in his apt. He went down hill so rapidly and fast. It was a story every day with him. I am so greatful to have had him as my neighbor for 5 yrs. I was there at his bedside when he died. Rest in peace ted !!
