“ Deepest condolences to you Ellie and your family. I will remember Bill very fondly. Love of photography was something we shared. I was also touched that he would remember details of my life and my extended family, though we saw each other so seldom, especially the last 10 years or so. I always appreciated his stories, especially of his past as painful as those memories were. For me, Bill was a personal connection to the Shoah which otherwise I would know only from books. May his memory be blessing. - Marilyn

“ Bill was our very dear friend. He loved grilling on his back deck and having friends over to enjoy his surroundings. We will miss him very much.

“ My heart goes out to my dear friends, Ellie, Michael and family and David during this difficult time. Bill was my wonderful friend and I will always treasure his memory. Bill was so proud of his sons and four grandchildren and loved them with all his heart. Ellie was the love of his life! I feel so blessed to have had this wonderful friendship with Bill!
