Dear Barbara and family, I just found out about the death of one of my favorite people, Rabbi Schnipper--He was one of the kindest sweetest people that have been part of my life in Detroit. If he disagreed with my going to Temple from Beth Moses, he never said it, he only wanted to know how we were doing and were we happy and how I my children's choir was He was such a mench. He will be greatly missed in the community.

“ *I was president of Moies Chetim in 1990. Rabbi asked who took care of our recipients after Pesach. i said no one. Soon thereafter he started Yad Ezra. the rest is history.*

“ It is with great sadness to learn of Rabbi's passing. I have such good childhood memories of our time at Beth Moses in Detroit. Rabbi always wore that smile & always having something funny to say. He was endlessly committed to our Jewish community here in Metro Detroit. He will be greatly missed. Sending warm thoughts to Barbara & the entire family.

“ Such a sweet man. He always wanted to hear what I was learning with my studies and always had more to add. He loved being a Rabbi and taught us all so very much. He will truly be missed.

“ *Rabbi Schnipper was not only a terrific rabbi, but also a great sports fan, particularly of his Philadelphia teams. Our friendship blossomed when I joined Beth Ahm in the 1990's when I was a tv/radio sportscaster in town. We would always kibbutz about various sports topics surrounding services and he was a true joy to be around. I valued our friendship and I will always remember him as a beautiful person who gave so much to our Jewish community. May his memory endure as a blessing.*

“Sad to learn of the passing of my childhood Rabbi Schnipper. I thought of him when I went past the old Beth Moses on a visit to the area earlier this month.

I know my father, Jack Frank z”l, held him in high esteem. We younger ones appreciated his short sermons, his good humor — Three bunnies, Foot, Foot Foot, and Foot Foot Foot — and his incisive thoughts on Israel and other current events and how they affected the Jewish people.

He will forever be remembered by me for approaching after I had just completed chanting my bar mitzvah portion and whispering to me “Now you can breathe a sigh of relief.” I let out a sigh, which was picked up by the microphone, and amplified to the whole congregation— to much laughter.

I, and my three fellow Southern California siblings, send condolences to the Schnipper family, with special thoughts from me to Danny, who shares my birthdate and was a fun guy to be around way back in the day, and a much better basketball player than I was. We still recall that Phillies cap he wore all the time to shul. I think of that on occasions when I’ve plopped a maize and blue Michigan cap on my head in place of a kippah.

I’m sure “Schnipp” would have approved. May his memory be for a blessing.

I remember when a young Rabbi Schnipper was announced as the new principal of my Beth Moses Sunday School on Seven Mile at Chapel in Detroit. In his later years, the rabbi provided comfort to Jewish hospital patients as a chaplain. He lived an exemplary life.

Will miss him. He was such a light to the Jewish community. His work w the Jewish Hospice org was an important part of his life. Even though I seldom visited Detroit, whenever I did, he made me and my father in law feel right at home.
