“ We are very sorry to lose such a wonderful person, who was loved and respected by many. For me, Sasha (this how I called him) was an example of how a real "manch" should be! He was always up bit about life, even at the times when he was fighting many health issues. I enjoyed our conversations and it was such a pleasure to hear how much he loved his family and how much he was proud of all their accomplishments. One thing I know for sure that he is going to be missed!!! With love and deep sorrow, Raisa Medvinsky (Felix Medvinsky, Genya Medvinsky)
