May a gentle spirit comfort and console both you and your family during this difficult time. May your mother rest in good company and begin the next chapter or her well lived life. May time help to work its way through the grieving process and provide you and your family with the strength to hold steady and get through any challenges ahead. Positive prayer and words of encouragement sent your way. I'm so deeply moved and saddened by the loss of your loved one. The patriarchs of the family tree are hard limbs to let go of but remember- it is because of their good roots and foundation that during this time of mourning there may be comfort knowing that she is finally at peace.

“ Adele took me under her wing when I was hired at Woodward School, came to my room and introduced herself and kept me on track about the ins and outs of our school, She was so warm and helpful. I had lunch with her and the 2nd floor gang every day until she retired. She was like a big sister to me through the years, always encouraging. She shared in my happiness when I met my future husband and was a strong support during the difficult times when we had a revolving door of principals. She was beautiful inside and out and always kept in touch. I am proud to call her my dear friend. She will be missed. My sincere sympathy to her loving family for her loss, I am so sorry, Janice Peterson

“ You have all been my family since Sharon and I were five. Your mom showed me that being a widow didn't mean that life was over. I loved and admired her as if she were my own. Know that all of you are forever in my heart.

“ what a beautiful picture of such a beautiful lady. everywhere she went and whomever she came in contact with was always a better person after being with her. Not only a lovely person, fantastic cook, and she graciously bestowed that onto her daughters, granddaughters and if given the time I'm sure the great granddaughters, too.

She was a welcoming partner when it came to all the holidays, I loved sharing them with her and the family.

She will definitely be missed, but she will be watching from above on all of you.

Love,

Rita Starr.

Adele was warm and welcoming - as one Sisterhood President to another. She taught me so much about the process, the women, and the kitchen. Her heart and kindness permeated through all she did. I will certainly miss her and her wonderful advice. May she rest in peace.
