“ *So sorry for your loss Richard and Family. Although we only shared some brief moments, your Mother was always very kind and I really enjoyed talking with her. As I do with my Mother and Father, always think of them and keep the memories alive. -Michael B*

“ Richard, My condolences on your mom's passing to the other side. You're a great son, and you did an incredible job taking care of your mom when she no longer could take care of herself. It seems like yesterday I was sitting across from your dad in his office, when I looked at your picture and said to your Dad, I know your son, he said you know Richard? He had such a bright look in his eyes, and smile on his face when speaking of you. The Torah says we should help at least one person while here on Earth. Richard, you've done your mitzvah so lovingly, responsibly, and unselfishly. Respectfully,
Neal Alpert ❤️

“ Richard, I am sorry for your loss. I remember when you lived around the corner from us, and your mom was always pleasant. She had a good long journey. I'm glad you were able to care for her, I'm sure it made a world of difference.

“ It was always such a pleasure going over to this Sears house to visit my dear friend, Richard. Adele was always so sweet and welcoming, and always had a smile for me when I came over. Adelle was a very kind and lovely woman and she will be missed by everyone who had the pleasure of knowing her and loving her.
