“ *Agi was always kind and fun to be with. She was one of our strongest Survivor Speakers.
I will never forget the joy she spread with her smile. A classy woman.
Love,

“ *My mother and I have known Agi for over 60 years. We met her shortly after immigrating to Detroit from Hungary. We also had the pleasure of knowing her mother as well. Agi was a very caring, loving, and thoughtful person. We will cherish the fond memories we have of her, which were many.*
