“ *Baruch Dayan ha Emet. So sorry to hear of Alan’s passing. May his memory be for a blessing. My fondest memory of him was when we were rehab counselors. We walked into a Sears store in Jackson, Mi, to seek job openings for our rehab clients who had been injured at the Goodyear plant there. On the TV’s in the appliance dept was live news coverage of the Challenger exploding. We were incredulous.
And paused in our work to watch...*
