“ *This world truly list an unsung hero this week. Al Always brought light and kindness to everyone he touched. His good humour despite challenges all his life was an inspiration. I “grew up” a few doors from his family and we have been friends since 1954. I miss our lunches and our phone calls. He always had a wise opinion for every issue. My condolences to his family and friends who loved him and who he cherished. His memory will be a blessing.*
