*Alice was my great aunt. I have many fond memories as a kid of going to her house. She used to baby sit my brother and I. We used to play with our second cousins eddy and Jenny. I miss the whole side of the family eddy sr and Danny. Uncle Leon was a great guy. He used to pick up my brother and I and take us out for ice cream at pub 31 in Oak Park and tell us not to tell anyone. Life was simpler back then and I loved them both. Later on in life Alice met Sol?? They were a happy second couple.*

“ *This is from Ed's sister-in-law, Stusha and Don Messier.  
So many years have passed, yet we feel near to them.*

*Tenderly lift us up, that we may see further. That we give them up to  
You,*

*God, who gave them to us.*

*May their last breath on earth, be their first breath with God and true  
rest.*

*Let all our tears be wiped away. - Prayers for the Dead Sept 2015.*
