Dear Gloria, Janet and I have missed the friendship that we enjoyed with you and Allan for many years. We are sorry that it faded. We always intended to try to rekindle those old feelings, but it never happened; and now it's too late. We remember the good times that were so much fun. We remember you for your strength in holding things together. Please accept our sincere condolences.

Dear Gloria, Allen was my brother for as long as I can remember. It will be hard to imagine my life without him in it. I was saddened by his failing condition at the end but am grateful for the wonderful memories that will always be with me.
