“ Adele and Family:

(From Pat And Maxine McGlinnen)

Learned about Al a little late, through A contact at Max's office. So sorry. We hoped to be able to see you in a Shiva call, but, unfortunately, I (Pat) happen to be in an Oncology Treatment cycle for Prostate Cancer , and mingling with a lot of strangers might not be a good idea right now. Max and I are fine though...just getting old.

We are regretting not knowing about Alvin...It's been a long time, (37 yrs) and we don't know his circumstances at the time of his death. We'd love to be able to talk to you, and see the boys.

*I don't know how to arrange that, but our contact information is:
Me: 248 366 9735. Max: 248 345 4767. 7855 Hoffman Dr.,
Waterford, MI. 48327*

Let's try to somehow talk. Please send our condolences to the family.

*Pat and Maxine McGlinnen

“ I have wonderful memories of the Nodler family gatherings. Our uncles/fathers having friendly arguments. While the Nodler sisters-in-law saying lower your voices. I was the youngest of the Detroit cousins. I remember all of us cousins playing together.

“ I benefited first-hand from this great man's love to teach and help others. He was patient, kind, and incredibly wise. As a young child in Oak Park, Mr. Nodler would share with me how the world of economics, finance, and politics danced with one another. His passion to research and uncover connections was inspirational. His greatness is evident in his children and grandchildren. They are honorable, educated, industrious, kind, caring, loving, wise, and dedicated to those in need. We have shared a friendship for nearly a half-century. There is just not enough allowable text to capture the love, respect, and praise we have for him and thr Nodler family.

We so cherish your family, friendship, and the inspiration you have given to so many. Our deepest, heartfelt condolences. We will see you soon brothers and share in the faith that good men are richly rewarded here, and the ever after.
