“ Uncle Andy was a positive influence in My life. He worked very hard to achieve business success. His shul was the center of his life. He performed many mitzvas, looking to help others. Although we had some differences later in life, I will remember his kindness. Jerry Hoffman

“ Andy sat next to me for years at Shomrey Emunah. He was very kind and always had a smile for anyone who walked in to the shul.

“ I'm remembering eyes that looked at you... not past you, not even as a child. He was interested, kind, and always welcoming.

Uncle Andy was always part of our lives growing up...He was in our house frequently and as a kid I always felt his warmth and caring.He never treated us kids in a dismissive manner but always took the time to chat with me and sincerely take an interest in what was going on in my life..something I always appreciated. He was a caring sensitive person who always stood up for what he thought was right. Although these 2 brothers were very different they were there for each other through thick and thin.
