The shared stories of loved ones was so relatable!! I feel the sadness of the loss of nita's spirit and the joy of knowing her in this lifetime! When I was young nita showered me with love and confidence that no other person gave me... which fuels me till this day .. listening to Donna...Lisa..Andrew..Allison...sharing their stories for themselves and their siblings..nephews..and grandchildren...I felt some of my own experiences become alive... The talks...the listening...the EMPATHY..sharing art...the humor...and giving me emotional understanding at a young age that has and will carry me through this life! A funny story would be ...I would visit nita at gittle's house and we would sneak baked goods from the freezer that were for parties...I don't know why we thought gittle wouldn't find out! I love nita...

“ Thinking of Steve, and the entire family today. Steve and my father were longtime bowling friends, and Anita was such a nice lady. May her memory be for a blessing always. -Gary Klinger
