“ My mother, Gertrude Brainin, and Annie were friends for seven decades. They traveled together and we spent many great times together. Our condolences to the family. Eleanor(Brainin) and John O'Marra.

“ Anna was a strong, determined, principled, life-loving beautiful woman whom I was proud to know. She was intelligent, loved learning, singing, playing piano, concerts, reading, poetry, and the people closest to her, her daughters, Son in law, sister Sophie, Eleanor, Dee, Nephews, adopted nephews, and even those she lost too soon. She was a lover of life and had many friends who will miss her. I miss her already. I've missed her the past 5 months when I couldn't go to see her. We sang Yiddish songs together at Meer, and oh, how she loved that!

“ Dear Lenore and Family,
Annie was a cheerful, smart, curious, devoted mother, Aunt, grandmother, and mother-in-law. Her home was open to us all. She was spirited in her interests studying French, music, and Judaica. She was organized and a reasoned, intelligent woman with emotional strength and vigor.
I hear her voice and laugh.
May her memory be a blessing and guide us all as we go forward in life.

“ Anna and I worked together at Burns Elementary School. Anna was a pre school teacher who really took pride in her work and loved her students unconditionally. We were also in a Burns lunch group with other teachers for many years. Anna often came to my home for High Holiday dinners. She told me on several occasions how much she enjoyed interacting with my grandchildren. Anna was truly a wonderful person and it was an honor to have her as a friend. I will truly miss her. I'm very sorry to read this news. Anna and I also worked together at Burns Elementary School. Etta is right and said it very well--Anna really took a great deal of pride in her work, and it was very obvious that she loved her students unconditionally. Anna was one of a kind, a truly wonderful and sincere person in every way. She will definitely be missed. May her memory be for a blessing.
