*Vicky, you spoke about such beautiful memories, Elaine, speaking about your Detroit home and family and how much family meant to her...beautiful....and Alyah..the "political one" :-)...I loved how you 'explained' social media..what an incredible memory. How proud she was of your entire family.
I watched the entire service on line.
Blessings to the family.

She was one of the kindest caring woman I ever met. Being Her cousin Cyril's son, I remember how highly he always held her in his heart. She also took such great care of my mother's father as he suffered from dementia. I will fondly remember my most recent call to her about 18 months or so ago as I was trying to work on a Silver family tree. She was always so helpful and always remembered to ask by name how all of my family was. She will be truly missed!
