*Dear Marty,
Our deepest sympathy to you and the family. The web cast enabled Rich and I to participate from here in the state of Washington. We will always cherish our memories with Annette at all of the JLI conventions. We are pretty emotional right now. Trying to get a grip on why bad things happen to such good people*

“ *I met dear, vibrant and loving Annette through friends, Bev and Ed Horwitz, at the JLI Retreat in Chicago. Right from the start, Annette was friendly and warm. Her husband, Marty, was very kind and I could see how much they loved each other. Her contagious love for life will be missed. May her soul rest in peace.*

“ *Annette and I grew up like sisters. We lived together in a two-flat
and our mother's were true sisters. The bond we forged in
childhood remained, even when we were separated by years apart.
She was so kind, caring, and empathic about people who have
special needs. I will miss her forever and cherish her memory.*

“ Annette was a wonderful friend who I became close to in the past few years. We enjoyed shopping at the flea market in Florida, sitting in the sun, and many deep conversations. She always expressed her love for her family, her children and grandchildren to me. I will miss her and my thoughts and prayers go out to Marty & her entire family.

“ *She was more than a friend to me, I must say a good friend. Having tears in my eyes as I write this. I met her one day coming dressed up as a clown in one stop. We connected right then. Over the years she became my mentor though I'm many years younger, I became hers too. She always talked about Deidre, how she would do anything for her. She loved her kids. She always had a smile on her face. Annette the way you loved me and my son will never be forgotten. I will always remember our DD dates. May I only have the love and laughter you shared with so many. I love you always.*
