Thank you for providing a streaming option for attending Arlene's funeral. It meant a lot to me to be there from a distance and in spirit.

“ *When Arlene was born and her parents brought her home she was the most beautiful baby. She remained beautiful her whole life in every way. We lived a family life that doesn't exist anymore. I have a lifetime of wonderful memories.*

“ I’ve known Arlene for over 10 years. We met while studying French at Collin College with beloved teacher and friend, Anne Kipers. Arlene and I became good friends and met regularly for lunch long after Anne relocated. I always looked forward to our time together when we had lively conversations about current events and our lives. I always enjoyed hearing her share about visits with her family, specially about her two grandchildren who brought so much joy into her life. It’s been my great pleasure knowing Arlene and I will sorely miss her. My deepest condolences to her family. Betty Andrade.
