“ *I have fond memories of visiting The Custard Cone as a child and what a nice man Mr. Mevis was! His daughters were also very kind; kids loved it and parents were comfortable with their kids going during the late 1970's and early 1980's. I played many a video game and bought many a pack of baseball cards from the Mevises! It was a West Bloomfield institution, for sure. I am happy and thankful that Mr. Mevis lived a full life of 84 years.*
