Dear Rabbi Dalfin am"sh, I was looking up Rabbi Lasky zts"l as I used to have a connection with him and his wife. I am so sad to hear of the family's loss. My first job after seminary was as his assistant in second grade at West Valley Hebrew Academy. Rabbi Lasky connected so well with the students and was a real roll model. The preschool class was actually held in their living room! I have very special memories of their young family back in the early 90s. His nishama should have an Aliyah, and the family should have a Nechama. Kol Tov, Tzivia (Aberman) Wasserman
