“ Mrs. Becker was my second grade teacher at Einstein School 1965-ish. I returned to Einstein several years ago for a school support project; she was still teaching at that time and I was so thrilled to be able to greet her after many years. Remembered with love.

Barbara had a wonderful sense of humor, was witty and compassionate. She loved children and was fabulous on crossword puzzles and in math. She loved to be busy with a daily plan of activity. She loved her husband, Ray and her family and friends dearly. We both lived by Schaefer as children and loved going downtown. I bought shoes at Bakers when Barb worked there as she started Wayne State University. Ill miss her greatly
