“ *When my son started Hillel for kindergarten, Barbara reported that his evaluation was great and said nice things about him. I've always remembered her for the kindness she showed our family. May her memory be for blessings.*

*I am so sorry for your loss. Mrs. Stryk was indeed one of my my favorite teachers at Hillel Day School. I will always remember her as one of the toughest, kindest loving teachers my son had. She helped in so many ways....She will always be in my heart and never be forgotten.*
