“ Barbara and I spent some wonderful times together. We first met playing golf together in our weekly Thursday group at Hunters Run. We all know what a wonderful golfer Barbara was! During the pandemic I looked after her as though she was my own Mom and would not allow her to go to a store for fear she would be exposed to Covid. We had our weekly routines during that time which included my trips to The Boys to pick up food for both of us and I used to prepare a dinner that we shared together along with many Gin card games. Barbara was a fabulous friend, Mother, Grandmother, and wife. She will be missed by many. May she rest in peace. My sincerest condolences to the entire family. Gerry Dinkin
