“ I knew Barry for a number of Teaching first at Bnai Moshe and then maintained our friendship ever since. Terrific Principal of two Hebrew School programs, followed by continuing to teach during High Holiday services. He was my department head at Coffey Middle School before I moved on to Cass Tech. I'm so sorry to have missed his funeral service, now living in Indiana. He will always be my friend in my memories.

“ As a friend of Melissa's, I want to share my heartfelt condolences on the loss of your beloved father. Even from the moments I was lucky enough to witness, it was clear what a remarkable man he was. His humor, his joyful spirit, and the light he carried with him touched everyone around him. He had a way of making people feel welcome and at ease, and I will always remember the warmth he brought into a room.

I hope you find comfort in his memory and in the countless moments of joy he gave you. May his memory always be a blessing to you and your entire family.

“ *Barry Levine is the true definition of what and who a mensch is. Our family moved here 38 years ago and our first priority was to find a shul and get a bar mitzvah date for our son. We ended up at Beth Abraham Hillel Moses and was greeted by this warm, wonderful, kind, knowledgeable, comforting man named Barry Levine along with his lovely, friendly wife, Pat. They made us realize that under Barry’s guidance Scott would have an easy time preparing and becoming a bar mitzvah. Many kids didn’t like to go to Hebrew school, but our son and daughter enjoyed their experience because of Barry. After moving to 5 different cities He made our transition to Detroit more enjoyable than I ever would’ve thought. Our relationship has lasted until today. He had a side gig as a comedian... telling jokes at every chance. Even recently He never lamented over his most recent physical problems, smiling and telling jokes. We are so lucky to have had Barry in our lives. May his memory be a blessing.*

“ Barry always made us laugh, with his endless one-liners and Dad jokes. I met Pat and Barry at BAHM when my kids started Nursery and Hebrew School. Nikki & Nathan are now 37 and 45. Barry touched many lives and the kids absolutely adored him, as did I as the "Art Teacher." Years later, my husband Steve and I joined B'nai Moshe, so we could be at the same synagogue. We have been friends for many years, getting together but not often enough. We have vacationed together, been invited to their daughter Melissas' for Passover, had date night and game nights. We have no family in Michigan, so Pat and Barry made sure we had somewhere welcome to go. Barry was a good man who tried to make everyone smile. I will always remember working at the Hebrew School, Barry vibrant and fun, and the time we all shared in better days. My family thanks you and loves you Barry. Rest in Peace.

“ Uncle Barry always had a joke to tell and loved his laugh afterwards. He tutored my kids for Bat and Bar Mitzvah as well as leading Shivah service for my dad. He was a good man and real (Mensch)! My deepest condolences to all and forever in my heart! 💔😭 This pic is from Isaac Bar Mitzvah and he looked so happy blessing the Challah! ❤️

“ *I met Barry and Pat at Beth Abraham Hillel Moses (now Beth AHM) on Maple Road in West Bloomfield. They welcomed us into the Shul more than anyone else as we were strangers to the Jewish Community. I had no roots in Michigan. Seeing the Levine family at Shul was our rock in the the community. That open friendliness is true for their whole family. I loved him for that step up back to practicing my Faith with my young family. Every Chanukkah will bring your memories back to me and my family from now on. Love you Barry. Love you Pat. I am very sad I wasn't active with your family for too many years.*
