“ It is hard to understand and accept that you won't call me anymore and won't lift everyone's spirit with your endless optimism and support. Till the very end you were our voice of wisdom and always had inexpactable and simple advice for any situation. Beautiful soul, kind heart and lovable by everyone who had honor to meet you. We know you are in better place and free of pain and suffer. But we will miss you dearly and always remember you. My legend, my hero, my backbone.
