“ *Bella was a good friend of my mothers. My mother Ruth met Bella thru a mutual friend Loraine and shared many lunch dates with a group of good friends. I often joined the ladies. Always a good time. Unfortunately as both aged and recent declining health of my mother and COVID phone conversations together were replaced instead of lunch dates. She never complained to us about anything and was always happy to talk. She was always sweet and caring. I often talked with her when it was difficult for my mom. I always enjoyed our conversations she was very intelligent with a good sense of humor always a positive attitude. She was a very special lady. She will be truly missed and remembered for her kindness. We are so sorry for your family's loss.*
