“ *When I was young I thought Belle was the most elegant woman in the world. She was so nice to me. Seymour would start a fire in the fireplace and Belle would put a blanket down so I could lay in front of the fire. I loved them both dearly. Eileen (Smith) Warshaw*

“ *Sorry to learn of my Grandmother's passing. If you asked me 30 years ago if she would live to 100, I would say, "You'd better believe it!" She was a strong Lady, and she cooked me Potato Latkes for 3 months straight!*

*With Love,
David Brian Weiss*
