“ *A long life to all the Nadel family.
I am an old friend of Bernard's from Melbourne and kept in touch with him over the years. As I regularly visited my son in Chicago I would often pop up to Detroit from there. The last time I spent some time with Bernard was last August. We always had some fun and adventures together as well as discussing and debating lots of moral, political and religious issues.
I would really appreciate it if one of Bernard's children or close friends contacted me.
