“ *I was the babysitter for Sheri and Howard many many years ago. Mrs Markle was one of the nicest people to work with. I ran into Mrs Markle with Sheri several years ago and they were so pleasant and we shared many memories. This is a big loss.*

“ *Bernice was a special friend of mine and my husband Terry. We loved the time we had together while in Florida. We enjoyed having Bernice in but also going out together. Bernice was a big walker and enjoyed her morning walks which we would often walk together stopping for coffee and a chat. We loved the stories she told of growing up and coming to America. Bernice loved that my husband teased her all the time. We will miss Bernice's beautiful heart and smile. Michele & Terry Dailey*

“ *Bernice was absolutely stunning. Every time we seen one another we always greet with a hug and a kiss. I love when mother say hey baby how are you and I will reply I'm doing good Mother. Every time I seen Mother, Mother was always looking good, smelling good, and her hair was looking stunning. Mother always had the prettiest clothes on with a big beautiful smile on her face. She was my golden beautiful mother who I love talking and laughing with. One of my best memories when I seen mother outside, I turned on some Cha Cha music, me and mother was doing the Cha-Cha dance outside..Even though Mother was in the wheelchair, she didn't let that stop her from doing the Cha-Cha dance with me lol. Mother made me a beautiful stunning necklace. I was so excited when I received it because my necklace was brown and brown is my favorite color. Mother did not know that brown is my favorite color. My third memory is at the birthday party we had a beautiful time year last and I would never ever forget it...(I'm the Fruit Lady). I just found out the heartbreaking new yesterday. Family and friends, I pray that in the midst of your sorrow you will find comfort in all the joyful memories I shared*
Love you Bernice/ Mother...

“ *Berniece was my mother's close friend. I remember her both as a child and now as mom and dad's neighbor at Meer. I remember her inner and outer beauty and kindness. I remember she always had ice cream in her freezer. Lately, she always sought me out at Meer with a bright smile, hug, and a memory of my childhood. May she rest in peace. Wishing the entire family peace and healing. I know you will miss her dearly.*

“ I have so many wonderful memories of Bernice and I, such as attending family holiday dinners, beading classes at Meer, her teaching me Yiddish words and accompanying her to the wedding of her granddaughter. The one memory I will hold near and dear to my heart is our recent trip to Florida. we had the best time of our lives, something I will cherish forever. Bernice my friend, I love you and I will truly miss you. Rest well.

With a heavy heart

Hearing the shocking news tonight just stunned me as well as many others at Meer who just first found out. It is a blessing to pass in one's sleep when it's time. Bernice was a beautiful person, intelligent, sweet, thoughtful, caring and kind. It was a deep pleasure for me to know her and through her, her remarkable son and daughter! My prayer is that she will find peace and smile down on all of us from her rightful place in Heaven. Baruch Dayan HaEmet.

No matter what your belief, Bernice was truly God's angel on earth. I loved her friendship, her listening ear, her comfort and her hugs. I loved like the mother I wished I had. I will truly miss her and yes Bernice, you will forever be in my prayers and my heart.
