“ A little over a year from Bernice’s passing- I am just learning if it. I want to send my deepest sympathies to the family. Bernice was truly a remarkable lady and I loved her!

“ Mrs. Pinsky was truly a woman of valor. I literally owe my life to her and the broom she used to beat my assailant over the head when I was in my early teens. Not only did she save my life that day, but also my daughter's. For whoever saves a life saves a nation.

My experience with Mrs. Pinsky's cooking differs from what others reported. I have fond memories of mostaccioli and meatball TV dinners.

I recall when, in her late 70's, she came to Los Angeles to visit my family and our daughter who was a toddler at the time. It was a joy having her with us.

Mrs. Pinsky, you will always be remembered and you will be missed.

“ Stuart and Roberta, I just watched your Mom's service! What a beautiful tribute to a most amazing woman! So many memories came flooding back of her telling me of her siblings, and her violin! Memories of the apartment in Warren. May she Rest In Peace!❤️

“ Stuart and Roberta, Sharon told me of your dear Mom's passing and I wanted you to know I was praying for all of you. Bernice was so kind to me all those years at C.M.S., as were you! I will treasure her memory always.

“ *My family lived next-door to Bernice and her family for many years in Detroit. Her daughter Gail and my sister were close friends, and I have fond memories of the good times our families shared together (including playing with their dog Missy's puppies).*

Bernice was truly blessed with her children, grandchildren, and great-grandchildren, and she clearly "paid it forward" through her numerous volunteer activities. My condolences to her family. May her memory be for blessing.

“*Bernice was one of the nicest, sweetest, and highly intelligent people that we have met during the years that we spent at the Fleischman Residence. A friend to all, with respect for all of G-d's children, Bernice never had a negative comment about another human being. We spent many hours discussing any and all topics. She was well-read and knowledgeable about a wide area of world affairs.*

Bernice was blessed with a large family with whom she shared immense mutual love and admiration. That includes her nieces and nephews, and the countless friends who were drawn into her circle by her warmth, her genuine smile, and her nonjudgmental personality. She will be missed by all of us as we extend our condolences to Bernice's wonderful family. May you be comforted by the Al-Mighty amongst the mourners of Zion and Jerusalem.
