The Sherizens have been a part of our life since 1988. As neighbors and friends of both Dov and Tzvi we shared many life events together. We were part of the family and yes Paul took lots of pictures. Betty was such a refined and dignified woman. She always looked beautiful. She was the queen bee of clan. We will miss her very much. May she have no more suffering and be at peace.

“ *Dear Sherizen Family*

My sincere and deepest sympathies to all. I have nice memories of your Mom...

I would drive my Aunt Evelyn Columbus to have lunch with the "girls" and often I would drive your Mom as well....the hour plus lunches were always full of conversation and laughing. Your Mom was ALWAYS beautifully dressed and her hair done! May her life be a blessing to all!

“ Dear Eugene:

Please, accept our deepest condolences. Losing a mother is one of the most tragic events in life that everyone of us hopes to avoid or, realistically, postpone as much as possible. While Yuriy and I knew your mother for a very short period of time, she impressed us as a kind and thoughtful person. It is important to remember at this point, however, that, despite the fact that she is not here physically, she still lives in all of her children and grandchildren.

May she rest in peace.

It was a privilege to meet her and your dad - always enjoyed hearing their take on the world when our paths crossed. I am so sorry to hear of her passing.
