“ Hebrew Memorial Chapel created a Webcast in memory of **BETTY ANN SINGER**

“ She was a lovely and welcoming Aunt. We're so grateful that our daughter Anna was included in the Singer family seders when she was at U of M, and she now has fond memories and relationships she would not have had otherwise. My mother always talked about how smart Betty Ann was, and my father of course adored her. It was clear she put family above everything, a priority I admire and seek to emulate. Condolences, hugs, and best wishes for warm memories to the whole family. Zichrohan l'vrachah.

Make that "Zichronah l'vrachah". I'm guessing she hated auto-correct as much as the rest of us.

“ Aunt Betty made the best chocolate chip cookies!
As a child, going to her house was always fun. Aunt Betty made sure we wouldn't be bored. The Seders at her house were very special. Aunt Betty was the most loving Woman a niece could ever wish for. I will carry fond memories forever.
