“ I know Bobbie because of my grandpa. My husband and I prayed for her everyday. I feel very blessed to have known her, she was the kindest person I have ever met with a very big heart.

“ My condolences to Bobbie's family and friends. I went to High school with Bobbie and remember she was always friendly when we would bump into each other. Especially Cushion n' Cue (not sure) but somehow (don't remember) i would be up their & would see her and Frank. R.I.P. Bobbie.
