“ Dear Marsha and Steve
You won't remember me, but I met both of you when we were very little kids. And I met your parents many times. You see my parents and yours were once best friends. Then, sadly, my mother ended that relationship, as she did all relationships, bc she was mentally ill. But your parents were very funny and very nice to me. Except for that time your dad scared the heck outta me with a pop up toy! lol! Anyway, my condolences and may your parents' memory be a blessing. Pls email me at rkgoblue22@yahoo.com if you wanna share memories.

“ Marsha, I am so very sorry to hear about your mom. Such special memories I hold of Sunday morning breakfasts and her voice echoing as she yelled "MILT". Your house was always filled with love and lots of humor. Rest in Peace Bev.

“ Thank you to Mr and Mrs Dunn for inviting us silly twenty somethings into your home and making special memories for us around the kitchen table. You made us laugh, allowed us to share college stories and snacks, as you watched and listened with what seemed to be interest, but, looking back was probably more disbelief and worry.
Mrs Dunn, you made us laugh until we cried as you and Marsha poked fun at one another.
So much love and humor encased the Dunn household.
Thank you for letting me be a very small part of it.
You are both forever in my heart.
Much love and prayers to Marsha and the Dunn family, and may you, Mrs. Dunn, rest peacefully.

“ Bubbee was the beloved grandmother of my wife and great-grandmother of our children. I first met her shortly before our wedding, and I quickly realized, what a loving and fun person she was. She made me feel comfortable around her in an instant and made me laugh with her. I will never forget our visit a few years after we got married. It was so much fun to be there, she was a generous person and I loved spending time with her. She had a great sense of humor that captured everyone around her. When she entered a room, everyone sensed her presence, and rightfully so! She had something to say, great stories to tell, and advice to give. Living on different continents, I wish we all could have seen her more often. I will miss her and always remember her for the great woman she was. May her memory be a blessing!

“ For me Bubbee was fluffy blond hair that always looked nice and long pink nails that she liked to gently move over my arm so it tickled nicely. She was love, and warmth and laughter. And ice tea packets. She was warm and loving and her love reached across the distance and filled me. She loved without limits and laughed with all her heart. I always felt good when I was with Bubee. She treated me to getting my nails done on one of our visits when I was 9 years old, and I got minnie mouse and I was in heaven. I loved spending time with her. Whenever she called and it was my turn to talk to her I could anticipate her soft almost hoarse voice, and how she would say "Oh Becky!" and I knew I was the most treasured person to her. Thank you Bubbee for giving all that you could to me and for loving me from across the distance. I miss you and will cherish your memory.

“ I have so many memories of Bubbie, from Sunday dinner's, the famous sleepover's with Leah & Lexie, Chicken & Bingo at The Club. Leah & Lexie both knew there was no messing around when it was Bubbies time for "Chicken & Bingo" & they were on there best behavior.

Bubbie was definitely one of a kind. Bubbie had so much passion, excitement & intensity with her grandchildren. What a class act all the way! Bubbie I will miss you!

“ I have never known a life without Bev in it as she has been friends with my parents since before I was born. Kind, funny and caring she always greeted me with a smile. She was always interested and excited to hear what was new in my life. Break the fast will never be the same without her. I will miss her.

“ I loved Bubby very very much. She was very special to me. I have many wonderful memories of her. I stayed over at her house for a few weeks by myself when I was 6 or 7. Spending time with Bubby was always fun. She always wanted to show me a good time. She loved to laugh and I loved to laugh with her. It was so exciting when her and Zaidy came to visit us in Israel. From all the times I've visited her in Michigan, I remember that she always had a drink in the cup holder in her car, with a straw in that dripped onto my lap. I can still hear her voice saying, 'Hello Elana' from when we would talk on the phone. I once bought a scent because it reminded me of her. She was very loving and loved her family. I will miss her.

“ *Bubbee was there for me right when I was born. She was always there if I needed someone to talk to, if I needed a laugh, or a good cry. I will never forget the memories we share. I used to spend the weekends at hers with my childhood friend Lexie. We had a ball every time we were there. I told my Bubbee secrets and trusted her dearly. Bubbee was my second mom, she always supported me and my decisions. When Bubbee passed, I was there for her. It feels really fulfilling because she was there for me when I took my first breath and I was there for her when she took her last. I will always cherish the memories I have of my Bubbee. I strive to be as strong as she was. She will always be in heart.*

“ My dear Aunt Bev! I have such beautiful memories that I will always cherish. She was very special to me. We went up north as a family many times. One time I was stung by a bubble bee. My aunt came with me to a local clinic and sat with me for hours until I was released. We played a card game almost every month for a couple years. My aunt was always so much fun! Whether it was on vacation, around a pool, at her kitchen table, or chatting on the phone, she was always loving and caring. My aunt was a very important part of my life. I will miss you, Aunt Bev.💕💕

“ I remember growing up Bubbie took me in like I was her own grandchild!! Leah and I would always spend weekends with Bubbie at the movies, going shopping, and having sleepovers all the time. I used to love spending the weekend with her. They were so much fun. I also remember when Bubbie would make my birthdays special and celebrate them with everyone! Bubbie was truly an amazing lady and I'll miss her dearly.

“ We have been friends since we were teenagers. Went to each other's wedding. Had great times going up north, Las Vegas, Toronto, florida. Went to casinos and she didn't want anyone near her and was always late at a meeting place especially in Las Vegas. She was a lot of fun to have around. She will be missed.

“ Beverly wore many "hats", in her life. And she juggled the responsibility of all of them with courage, dedication and above all else, love. She wore the "Mom" with me from day one. Took me in and cared for me. I was her daughter. When the grandchildren made their appearance, the "Bubbe" hat appeared. And she proudly wore it every single day, even until her last breath..... Only now, a grandmother myself, can I appreciate just how dedicated and wonderful a Bubbe she truly was. Always giving, and sharing her love and joy with her "babies.". The house on Raine was filled with the "best treats ever." And toys? toys galore, pools in the summer, always!. Ice cream, Yummy!..... There just wasn't enough she could do for those little ones. Always there to lend a hand and help. I learned from Bubbe Bev how to be a Savta. I will miss you Mom.

“ I remember my mom with great love and kindness. She always gave me strong support and never judged me. I always felt her love and admiration towards me. It is great to have someone believe in you as much as my mom believed in me. I am sorry if I broke her heart. I think I did. I know that my heart is very broken.
