“ Thank you, Ma Bev, for taking care of all us kids for all these years. You gave Gayle and Howard's friends millions of hugs and endless hours of laughter, fed our bottomless teenage stomachs, and left your front door open to us for fifty years. We love you.

“ Aunt Beverly was a person who always had a smile on her face and was kind and loving to me. The best compliment I can say about her is that she made this world a better place. She will be sadly missed and always in my thoughts. May she rest in peace.

I have only known Beverly for about five years but what an impression she made. Always giving of herself to others and always making sure everyone else was cared for. Last Yom Kippur she invited me and my daughter and granddaughter to her house for break fast because she knew we were alone. I will never forget you, Bev.

“*Aunt Beverly was the definition of an Aunt. She was the essence of love. Of warmth. Of kindness. Of all things filled with beauty and grace. She was a devoted daughter, a sumptuous sister, an adored and adoring aunt, a wonderful wife, a magnificent mother a beneficent bubbie, a flawless friend.*

She brought joy and laughter to the world. Our memories of her will continue to enrich our lives. All the warmth and love she gave me, will sustain me today, tomorrow, forever.
