“ *Beyla was such a rich and authentic mensch, proud Jew, wise and a very dear friend. I will miss our meaningful visits. I was truly in awe of her. May her sacred soul rest peacefully and reach the greatest possible celestial heights. A giant has passed from our midst!*

“ *I was at the Bloomfield Orchard Villa Nursing Home with Beyla. I would help her with Bingo and we enjoyed many visits together. She was a lovely lovely lady and I want to express my condolences to the family . She was so proud of her family.*

I, too, feel so blessed to have known Beyla over the last 3 years. She made me feel like I had known her forever! She reached out to so many of us and asked for nothing in return besides a kiss, a frequent visit, and some good rugelach, if possible. I will always remember her for the extraordinary human being that she was!!!
