“ We will always remember the love and kindness you brought into this world towards everyone. We will miss the beauty of nature in your garden as well as the way you cherished all of god’s creatures and your pets

“ Blanche and my mother, Ann, were very close friends at Central High, then as neighbors in Oak Park (the Abraham's house was on Ridgedale and ours was on Westhampton), staying in touch after the move to Southfield. Our houses were close enough back then to be able to talk from yard to yard, even with 3 houses between us. Blanche was always growing vegetables and had the best garden around. I remember Blanche's butter cookies best. Everything she made in her kitchen was delicious.
My condolences to the Abraham family.

“ As someone who grew up without grandparents, I felt so blessed and honored to gain you as a grandmother. Thank you for showering me with love and kindness, for all of the cards you sent, thoughtful letters you wrote, cookies and food you made, garden tours, and for all of the lovely talks and time spent together. You will be forever missed and always remembered and cherished. I love you, Grandma. Give Debbie a big hug from me please. I'm happy you are reunited with her and all of your other loved ones. Rest in paradise!
