“ *My Dear Aunt Blanche, one day she asked if I could be her Caregiver. My reply was of course I would. She introduced me to her neighbors and we all became cousins. Zeta, Brenda, and Tatiana! We went on adventures she called them, shopping, ice-cream cones in downtown Berkeley even the movie theater to see Wonder Woman!*

She truly loved life to the fullest. Family always came first. Adored being a Bubby and Grand Bubby to many and was Proud of her 2 Sons. I will miss her so very much, but won't forget her beautiful "smile " ...

Boundless thanks to you, Sue, for the time you were our mom's caretaker and companion until she moved to NY. (And helping with the move!) We will be forever grateful for the time you spent with her Lot of Love, Cuz!

“ *Blanche and Nate Pollack were an integral part of my and my sister Julie’s childhood, because they were best friends with my parents, Betty and Marty Sorkowitz. Blanche was always cheerful, always warm and welcoming, cooking delicious food, and I loved how she liked to wear colors that reflected her personality. Her friendship with my mom was so meaningful, especially after my dad died, and they talked on the phone almost daily. Family was everything to Blanche, and she was so proud of all of you. This photo is of Betty and Blanche on 2007, at Betty’s 80th birthday party. Sending you all love, Janet Sorkowitz Jacobs*

“ *She is SO loved. What a GREAT woman. Always greeted you with a smile. Her laugh was amazingly wonderful. She gave everyone 100% of her love. So caring. I enjoyed every moment I had with her.*

One time we drove up to Birch Run because she wanted to see it. We shopped and laughed all day. There was a big balloon gorilla in the parking lot. She laughed and enjoyed looking at it.

Another great memory was all of the Hanukkah and Christmas Eve parties that she and Uncle Nate joined with us at our house.

She will be greatly missed.

Thank you, Annette! Continuing thoughts on the big, kind family of which you are a part....my mom genuinely loved you all and appreciated everything you did for her. I am remembering that you helped her stay in her condo that she loved so much when you set up the fall monitor. All of those little things have been important and are kindnesses we will remember. Love to everyone.

“ Aunt Blanche was without a doubt the most amazing persons I have ever met. Her contagious smile and attitude was second to none. The life of the party and someone you always wanted to be around. Willing to try anything from tubing behind our boat to playing golf, she played the game of life to the fullest. She will forever be missed!

Thank you, Gary, for traveling so far to be with us. My mom loved all of you as if you were part of our immediate family, and from the time we were young playing ball and sharing a meal at your home, we felt a part of yours. We are wishing Manny better health and more time to continue making good memories.
