“ *Brian was always a kind and colorful character to me. One of the gang, yet he was never governed by going along with the crowd! He would say what he thought! I found him to always extended a hand of friendship and heartfelt concern & support for the well being of others. If he counted you as a friend, he would offer the moon & the stars to demonstrate the love and loyalty he felt ♥♥♥ He loved large & fiercely. Had big dreams & a wild imagination with some of his storytelling. He always made me smile, and it is with great sadness to learn of his passing. I would like to offer my sincerest condolences to all that knew, and loved him. I will remember him fondly, and it will always be with a smile in my heart. May he rest in peace.*
