“ I'm sad to hear -- just now -- of Carl's passing. He and Barbara would make trips to my shop in Chicago, where we shared our enjoyment of history and Abraham Lincoln in particular. I always thought that any historical artifact he obtained from me had excellent custodians in them both. May his memory be a blessing. Daniel Weinberg, Abraham Lincoln Book Shop, Inc., Chicago.

I knew Carl and Barbra for years. He was proud of the Mary Lincoln letter he owned, along with the other numerous Lincoln associated items he owned. Barbra passed away, December, 2016. May they Rest In Peace...

“ I had the pleasure of knowing Carl for my entire life, 46 years! As my father's best friend of 67 years (Robert Glick), I got to see every side of Carl! He was a gentle and loving soul who always left the room leaving you feel his good vibes! Carl drove to Cleveland to be there for my birth because my dad was in school there and I have always felt a godfather type connection with him! Carl and my father used to have lunch every Tuesday for my dad's entire career and my dad would come home with terrific stories! I loved Carl! He surprised our baseball team, coached by my dad, with his ice cream truck and handed out ice cream to all the players after the game, my dad always picked up pro wrestling tickets and Carl came with us to pro events at Joe Louis and Cobo until I was at least 16 years old and I think he had as much fun as the kids! I loved our get together a for many reasons but Carl used to call my dad Bobby which cracked me up because he was the only person who did! When you meet at 5 years old, you stay Bobby for life! Lol! I can go on and on like so many of you! He will be missed by my entire family! Carl left his mark on this world on so many people in his own unique way! I love you Carl! Kevin Glick

“ Carl was like an uncle to me, as he was my father, Bob Glick's best friend of 67 years who was unfortunately not mentioned here. Carl was a part of every family event throughout my life... i was even the flower girl at his wedding! He was a great guy and will be missed dearly by the whole Glick family!

“ Carl and I shared our birthday and had a special bond because of that, so in addition to being my cousin he was my birthday brother. He was kind, sweet, generous and loving and was so fortunate to be surrounded by many loyal friends - with our cousin Ted at the top of the list - and I am so grateful that all of you were in his life. Love, Charlene
