“ *I worked with Celia as a nurse for several years. She was such a kind hearted soul. Like others said, she would give you the shirt off her back. She definitely will have a special place in heaven. She will be missed.*

“ I met Celia many years ago at the swim pool at the Costick Center. We became buddies and along with Lynn and Randee had many good times outside of the pool. We celebrated our birthdays together and had a fun time. She was a very caring person that had empathy for everyone. You could see the nurse in her and you could see that she cared. She was very generous to everyone. I will miss her.

“ My dear longtime friend, Celia, never knew a person she didn't like. If you needed an umbrella Celia would give you hers--and her raincoat, too.
She always asked you about your family--- and really cared. She'd always bring you a gift. It was my gift to have known her. Ginny Grush

“ When I was very young (5 years old) I remember my first memories of Celia were at her wedding, it was so elaborate and beautiful, as was Celia. I remember just standing and staring for the longest time at the huge ice statue on the buffet table at the reception---my mother told me that people thought I was waiting for permission to touch anything or move anywhere—because I just stood there in awe. I will never forget that whole day of Celia’s wedding.

“ *Celia, your departure was such a shock. Sharon and you were coming up with a date for you to come visit or for us to come visit you. But now we will be celebrating your life together at your service tomorrow. You were like a sister to Sharon and such a dear friend to me and my family. Give every one, that have gone before, a big hug from us! Enjoy your time with family and friends. Love n miss you always. Forever in our hearts. 💕*

“ My beautiful, dear, wonderful friend Celia. Oh, how I will miss her. She was so generous and caring to everyone. We worked together at Beaumont Hospital to give our patients our best care. It was there Celia talked me into riding the mules down the Grand Canyon in 2002. She was 59 years old, I was 55. We were the oldest and least fit on the trail, but we did it. We shared a special bond and respected each others religions...she being Jewish and I a Christian. She accompanied me to the Holocaust Center because I wanted to see it through her eyes. And I could share my thoughts with her regarding my trips to the three concentration camps in Poland. Celia gave me recipes for latkes, tzimmes , and kugel which I now make for my family on holidays. She liked to go with us to Hamtramck to eat Polish food. I wish I could be there to send you off, my dearest friend, however, now that I live in Georgia, travel is difficult. God rest your soul. I love you. ❤️ Carol Emch
