“ Thinking of you and your family as you celebrate the life of your beloved. May your happy memories give you peace and comfort during this challenging time

“ I just wanted to say that it was an honor to know both of your parents and grandparents. They were both the epitome of grace and what it means to be a true partner to the one you love. Thank you Alisa for allowing me to know your beautiful mother. She is with your dad again as they continue their partnership. Love and light! May both of their memories be a blessing for you and your entire family.

“ Shelli, dear. I'm so sorry to read this, and that you have lost your dear mother. We go back so many years, and we watched our dear daughters grow up together (that's you and Judy) to be successful human beings in so many ways. I know Mom was as proud as I have been. May your Mother's love carry you through these difficult times.
