“ Celia was always "Tillie" to our family. She was the best mother and friend in Oak Park. I grew up in her house on Wildwood Street, which I thought was the best street in the neighborhood. Tille and my mother, Faye Sherman, were best friends and the designated drivers for all the childhood activities. Tillie was always in a good mood and I will always remember her laugh and her smile. Even though the miles kept us apart over the past years, she was always a phone call away, and we always kept in touch. Tillie will be missed, but remember fondly.

“ *My Dearest Celia (Tillie),*

I cannot believe that I will not be able to speak to you anymore. You have been my dearest lifelong friend and I will miss you every day. We met at Fresh Air Camp when we were 9 years old. A few years later we met again at Freda's house where Saul lived across the street. You started dating Saul and I, Carl. We raised our children together when we lived in Oak Park for over 34 years. Those were some of the best years of our lives. Where did the years go? I have so many wonderful memories of what we all did together. I remember every summer going to Elizabeth Lake with the children where we would celebrate Linda's birthday in June. I remember our weekly Mah Jongg and monthly Poker Club meetings.

When I left Michigan in October 1985, you and Saul sold your house but we still kept in touch and visited each other all this time. And, of course, we talked on the phone, sharing stories of our children, grandchildren and great grandchildren. Now, who do I talk to?

You will always be in my heart.

*Much Love,
Faye Sherman*
