“ Dear Jack, Jeanette, Yochanan, Yosef, and Yehoshua:
So sorry to hear of the death of your wonderful father and grandfather. He was such a kind and gentle person, and really loved the kids in the neighborhood. We felt blessed to be able to interact with him on holidays in the sukkah, and will miss his presence. May you be comforted among the mourners of Zion.
Your neighbors,
Sandy, Raya and Mira

“ Dear Jack, Jeanette, Debbie, and Billy,
I join with you in mourning the loss of your father. Your parents were heroes of the Jewish Nation. Their upbeat spirit and Simchos Hachaim were infectious. I gained so much from your families friendship. The Shabbos and Yom-tov visits were life altering. You were heroes in the Mitzvah of Kibud Av V'Aim. It was so obvious to see how much you loved and cared for your parents, constantly. You were focused on their needs and wishes. How blessed I was to be a small part of this relationship. May you and your precious family have many simchos to share in good health.

Sender was small in stature but the toughest Dude i ever met. Its not a coincidence he passed away yesterday Yom Hashoah if you would have asked Sender if he had to go on to the next world when would be a perfect day. He would have picked Yom Hashoah the day we remember all our loved ones and the 6 Million Jews who perished. You know what he said when he came to Shomayim "I Survived" the way we beat the Nazi's Ym"sh is buy surviving and making our heritage even stronger than it was . Good Bye tough Dude I love you and will think of you always and miss you. But you will go on living in my memory forever

Your friend and in my heart my Uncle

Miss you, Jerry

“ Our condolences go out to Jack and Jeanette. We always admired your deep devotion to your father (and father-in-law). May you be comforted among the mourners of Zion and Jerusalem.

With sympathy,

The Sklars

“ While I never worked directly with Chaim, he always had a smile for me.

He would always ask me how our mutual friend was doing, and every time he saw me he gave me a message to give to her. This is a tragic loss as I am quite sure Mr. Blumenkopf would have lived to be 100! May his memory be a blessing.

“ We will never forget the huge smile that Mr. Blumenkopf had for us any time/place he saw us. We treasured the creative way he solved our wooden issues. May you find comfort in your memories of the special man he was! המקום ינחם אתכם בתוך אבלי ציון בירושלים.
