“ darren ~ so very sorry about your mom. I didn't know her for long  
but she made quite an impact. We had some very good  
conversations. Thinking of you at this time.

“ Although I never met Charlene in person, we connected when my  
brother, Don Moffat, was battling cancer. They had dated when  
Charlene was a hot gu school freshman. I'm so glad to know that  
she is not suffering any longer and is reunited with her loved one.  
Condolences to her family.
