“ Clara was our neighbor at a condo complex in Southfield. She showed us her condo before we purchased ours. We shared the same birth date, too! She was a delightful character and always positive. And a devoted sister to Maury . Enjoyed knowing and having Clara as a caring neighbor.

“ Joanne, Denise, and family - Your mom was a really important part of my life growing up. I remember her smile, her laugh, her tell-it-like-it-is approach to life. She was a strong woman, a hard worker who loved her family so very much. A smile, a cigarette, her laugh, her listening - I'll remember Clara always. Lots of love to all of you during this difficult time. ~ Wendy Shepherd

“Denise and family so sorry for your loss. Your mom had a great smile. She was so devoted to her brother and you and your sisters. She always showed me kindness when ever I saw her. She was truly “One of a Kind” and surely will be missed by everyone that knew her and loved her. Dave Blatt

Joanne and Denise you have my deepest heartfelt sympathy. I have many wonderful childhood memories of your mom. She was an independent and strong woman before her time, as well as, a quick witted and funny individual!! I hope it helps you to know your mom will live on in the stories of all the ways she made life shine a little brighter!! All my love, Roz Cohen Fantich

I only met her once, back in the 70's. She read me like a book, shook her finger in my face, squinted her eyes, smiled that "I've got your number" smile and said something to the effect that I was a real devil, meaning, of course, she had been smitten by my trying to be charming. She was a great person and I wish I had spent more time with her. Hers wasn't an easy life and losing Barbara was devastating. Yet, she never gave up, never gave in and was a model for her daughters throughout her life.
