“ I was saddened to learn of Daniel’s passing. We were friends for over 25 years. We last saw each other at the facility at Jewish Family rehab in West Bloomfield. He told me that his cancer had metastasized throughout his body. I thought he had more time, but I was wrong. My sympathies to his family. He will be missed.

“ I am so sad to learn of Daniel’s passing . We didn’t know and are so sorry for your loss. Daniel came into our lives just a couple of years ago when he and my mother in law, Cookie were at the same nursing home . Daniel quickly became part of our family . We would visit him , have him over and often played Rummikub. Even after Cookie passed last year , we stayed in touch. We went to see him on September 14th and spent a few lovely hours with him. His Spirit and attitude were incredible. We brought h some treats and had some laughs. He was such a wonderful person and he will be missed. This photo was from September 14th.

“ I just found out the news and I’m super sad! Danny was one of my favorite cousins always as he would always make sure to say hello to me and talk with me no matter what age I was growing up. I wish I knew him better in my older years, but he would randomly send me a message and say hello. I’m really sad that I didn’t find out sooner and wasn’t able to be there for my cousins. 😞
